

System Overview

thomson Parent Bookings

Overview

Designed to streamline the process of scheduling appointments for Parent Day events, this system empowers administrators to efficiently manage all aspects of the booking process, including events, teachers, students, and communication with parents. Thomson's admin portal provides a comprehensive suite of tools for managing events and bookings. Administrators can easily set up events, manage timeslots, and keep track of teacher and student appointments, ensuring a smooth and organized experience for everyone involved.

For access to the admin portal, please visit [Admin Portal Login](#) to log in with your account.

User Booking Interface

Select a Time Slot for This Teacher

The booking system presents a clear and user-friendly interface for parents to select available time slots for their appointments. Below are the features of the booking interface:

Time Slot Availability

- **Current Booking:** Indicates the time slot currently booked by the user.
 - **Example:** 14:30:00 (Current Booking)
- **Available Time Slots:** Clearly shows which time slots are available for booking.
 - **Example:**
 - 14:40:00 - Available
 - 14:50:00 - You have an appointment at this time slot.
 - 15:00:00 - Available

Booking Overview

- **Testing School Hong Kong:** The system is branded for the institution, ensuring clarity for users.
- **Parent Consultation Booking System:** The system title is prominently displayed for recognition.
- **Appointment Details:**
 - Displays the student name (e.g., **AJMERA Krishang Rajiv**).
 - Provides additional details about the appointment and the teacher (e.g., **Mr . Teacher**).

Cancel Booking Option

- A straightforward option to cancel the current booking, allowing flexibility for users who may need to change their plans.

Admin Portal Features

- **Events Management:** View and manage upcoming events, set booking times, and control open/close periods.
- **Booking Management:** Define timeslots, manage bookings for both teachers and students, and view individual teacher appointments.
- **Communication Tools:** Send emails to parents with important notifications and updates regarding events and bookings.
- **Flexible Settings:** Customize notes for parents, manage admin accounts, and adjust system settings as needed.

User-Friendly Interface

The admin portal is designed with usability in mind, making it easy for administrators to navigate through features and perform necessary actions efficiently.

Comprehensive Support

This manual provides step-by-step instructions for using each feature of the system, ensuring that administrators can fully leverage the capabilities of the Parent Booking System.

Conclusion

The Parent Booking System (Parent Day) is an essential tool for any educational institution looking to enhance communication and organization around event scheduling. With its robust features and user-friendly design, administrators can ensure a positive experience for both parents and teachers.

For further assistance, please refer to the detailed sections in this manual or contact the system administrator for support.
